## Fed-up farmers face funders

We can't pay...We can't pay...We can't pay

BY CHIP NEWTON  
SUN Staff  
Belle Glade--Glades area farmers and farm-dependent business operators - which includes just about everybody out here - want to know why the South Florida Water Management District can start trying to raise money for a massive Everglades cleanup project without being sure the project will work.

More than 150 people - a standing room only crowd - overflowed the commission chamber at Belle Glade City Hall last Thursday afternoon. They were there for the opportunity to face members of the District's funding council,

five lucky folks appointed to figure out how to pay for the water quality phase of the Everglades restoration project. Most speakers made fundamentally the same points:

1. The project won't work;
2. We can't pay for it;
3. If you try to make us pay, we'll go out of business;
4. The entire Everglades Agricultural Area is dependent on sugar cane farming for its livelihood, and if the farms shut down, cities in the EAA will die.

The meeting was billed as a chance for Glades area residents to find out how the District would try to pay for See funding, page 3

## Beware: Crooks are doing their holiday "shopping" early

By BRENDA BUNTING  
SUN Editor  
Crooks are doing their Christmas "shopping" early - area merchants are feeling the pinch.

A rash of business burglaries in Belle Glade has prompted the Belle Glade Police Department to increase patrols in specific areas of the city.

Since October 1, 32 business burglaries have been reported, according to Police Chief Michael Miller. Three attempted business burglaries have also been reported.

"This is typical for this time of year," said Chief Miller. "We have made some arrests." The Chamber of Commerce was burglarized sometime during the weekend of November 14.

The burglars concealed themselves behind a hedge at the front of the building and knocked a hole through the wall to break in. They took the chamber's new microwave, a telephone, two tape recorders and other electronic equipment.

"We are making do," Iris Tanner, executive director said, "but, you know, these hedges around the Chamber look attractive, but they allowed the burglars a place to hide."

Glades pioneer and business

owner Clarence Pate says enough is enough. His business, Pioneer Motor Sales on South Main Street, has been broken into six times in the last few months.

"We've lost over \$5,000 in merchandise," he said. Tuesday he had workmen cement shut the back windows to his building where the burglars have broken in many times.

"It's pretty bad when you have to barricade yourself in," he said.

"We were broken into," said Barney Weeks with Seminole Supply, "but the burglar alarm scared them off and they didn't get anything."

Days Inn, the McCrory Department Store and just recently McArthur Dairy, Inc. were also broken into.

Police responded to a burglary in progress at McArthur's Sunday night and caught a man inside the parking area with several items belonging to the business.

Bobby Lee Turner, 35, of 38 Davis Street, Belle Glade was charged with the burglary.

South Bay Police Chief Roy Humston said there has been a slight increase in burglaries in his city also.

Roll over Rover...Driver Heriberto Olavarria, 31, of Royal Palm Beach and Florida Highway Patrol Trooper John Schultz survey the damage to Olavarria's 1988 Jeep last Sunday following a roll-over accident 3/10ths of a mile north of Old State Road 80 on Duda Road Extension. Mr. Olavarria said he was traveling in a heavy rain storm when he lost control and his jeep went into a spin. He cut his finger in the accident but was otherwise unharmed. He credits the use of his seat belt in preventing further injury. Damage to the Jeep was extensive. SUNPHOTO BY DARREN KIRCH

A fill-up of fed-up farmers...An overflow crowd oozed out into the hallway at Belle Glade City Hall Thursday night as Glades area residents got the opportunity to talk to members of the South Florida Water Management District's SWIM Plan Funding Council. Pahokee farmer Jo Hattori, at extreme left-front above, brought lettuce and corn to the meeting and asked the council if they realized the quantity of fruits and vegetables grown in the Glades area during the winter. "This was harvested today. It's November. There's no other place in this nation today, with the exception of California, where there's harvesting going on," she said, emphasizing the importance of the Glades agricultural region. ## Commissioners want "House of Pain" demolished

By BRENDA BUNTING  
SUN Editor  
The owner of a boarding house known as "The House of Pain" has agreed to let his building be demolished if he cannot bring it up to code in the next three months.

Sonny Fowler, owner of the boarding house at 416 S.W. Avenue B Place, agreed to the conditions set by the Belle Glade Commission Monday night, but has already violated one part of the bargain - he never made it to City Hall Tuesday to sign the agreement.

City Manager Lomax Harrelle had urged commissioners to have Mr. Fowler sign a contract which says he must come up with plans and specifications to bring the building up to code and present evidence to the city commission that he has the funding to do the work.

The contract also says that if Mr. Fowler does not hire an architect and secure funding for the repairs in 90 days, and give a written report every 30 days, the building will be demolished at his expense.

Police raided the building in April and found drug paraphernalia and evidence the building was being used for prostitution.

Neighbors complained to police in the spring that children as young as 10 and 11

were being lured into the building for drugs and sex.

Tenants received eviction notices in July after the building was labeled a "Dangerous Building" and a "Public Nuisance" by the city's Planning and Building department.

The city boarded the building up and installed padlocks on all the doors at that time.

Commissioner Harma Miller said she has been told that some of those padlocks have been knocked off and people are again sleeping in the building.

"I've been calling the police and they have been doing a pretty good job of running them away," Mr. Fowler told the commissioners.

He agreed to give to the police chief a list of all employees who are legally allowed on the property. All others found there will be charged with trespassing.

The city's Dangerous Building Appraisal Board met October 26 and estimated it would cost Mr. Fowler \$339,201 to bring the building up to code. The building is appraised at \$55,000.

"I disagree with that figure," Mr. Fowler told the commission Monday night. "I think it would cost less."

He estimated it would cost him \$200,000 to repair the building and he said he has

been working to get a loan for the repair costs.

"You have not really cooperated with the city," said Commissioner Steve Weeks. "We had to come and get you tonight to come to this meeting."

The city's Building and Planning Department had sent a certified letter to Mr. Fowler advising him of Monday night's meeting, but it could not be delivered.

Mayor Bill Bailey asked Police Chief Michael Miller if he could go to Mr. Fowler's home and ask him to come to the meeting. When Mr. Fowler arrived, he asked for a 120 day extension to come up with funding to bring the building up to code.

Mr. Weeks said he did not want to give Mr. Fowler four months. "You had six months and you did nothing," Commissioner Weeks said.

Mayor Bill Bailey said he felt Mr. Fowler was not dealing with reality if he thought he could fix the building with \$200,000.

"I think what you've proposed is wishful thinking," he told the landlord. "If anybody is a protector of private property rights it's me. I've been a realtor for 35 years, but you haven't shown good faith."

## Christmas parade is next Saturday

The Belle Glade Chamber of Commerce is again this year sponsoring the annual Christmas Parade down Main Street.

The parade will kick off at 10 a.m. Dec. 5 at Dino's Pizza and end at the Belle Glade Municipal Complex.

Iris Tanner, executive director for the Chamber, said there is still time to enter your float or car in the parade. Call the Chamber at 996-2745 to reserve your space.

## Lunch with Santa

Area children are invited to have lunch with Santa following the Christmas parade in Belle Glade.

The Belle Glade Junior Women's Club sponsors the event locally each year to raise money for local projects.

The lunch will start at 11:30 a.m. and the cost is \$3.50 per child. Pictures are also available. The luncheon will end at 1:30 p.m.

## Rainfall average for November

So far, 1.85 inches of rain have fallen District-wide for the month of November.

Most of that rain has occurred over the southeastern portion of the District. However, the lower west coast has received an average of only 0.33 inches - far below the rain amounts received in other areas of the District. The average rainfall for the month thus far is 0.97 inches, according to the South Florida Water Management District.

Lake Okechobee is at 15.99 feet. Average for this date is 14.79 feet.

See page 4 for letters from area school children who tell us what they are thankful for on Thanksgiving day.

## Mother calls police on son after burglary

A mother turned her teenage son in after he allegedly participated in a November 18 burglary.

Two teenagers were charged after a burglary attempt at the home of Wilfred Hillier, 560 S.W. 6th Street, Apartment 5, Belle Glade.

Police responded to a call of a burglary in progress at the Hillier home and saw two males fleeing the rear of the home on foot.

One of the boys was picked up after his mother called police after her son came home.

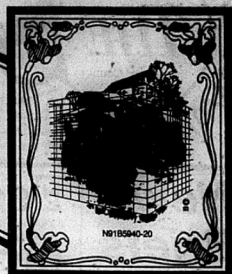

other suspect, a 17-year-old was arrested near his apartment building later the same day.

Property stolen in the incident including clothing, money and a radio, all of which were recovered by police.

One of the boys was taken to the Palm Beach County Jail under a \$3,000 bond. The other was turned over to the Division of Youth Services. Both were charged with burglary of a residence and petit theft.

# Man drowns when his tractor-mower goes into canal

A Clewiston man drowned November 18 when the tractor-mower he was driving overturned into a canal between Watson Farms and Ritta Village near the Henry County line.

Dead is Charles Marshall Jr., 43, of 1006 Georgia Avenue, Clewiston. Mr. Marshall was an employee of United States Sugar Corporation working at Ritta Village.

Mr. Marshall was driving a 430 John Deere lawnmower and was on his way back to Ritta Village, approximately

three miles from Watson Farms, when the accident occurred, according to Det. John R. Carney with the Palm Beach County Sheriff's Department.

Workers began searching for him when he did not show up at 5 p.m. They notified the Sheriff's Department about 8:30 p.m. and sheriff's deputies found the mower overturned in a canal approximately 10 feet deep. Mr. Marshall's body was trapped under the overturned mower.

The body was taken to the

Palm Beach County Medical Examiner's Office where an autopsy was done to determine the exact cause of death. Mr. Marshall died by drowning and there was no other major trauma to the body.

OSHA, the Occupational Health Safety Administration was notified, which is normal procedure when an industrial accident occurs which involves life threatening injuries or a death occurs.

Det. Carney said this is the second industrial accident in two weeks.

## Burglaries

Slight increase in burglaries in this city also.

"We've had an ongoing problem with this," he said. "We arrest a few people and the numbers go down and then later, as the offenders are released, it goes back up again."

Chief Miller said he is encouraging businesses and homeowners to secure their

establishments and suggests they install electronic alarm systems.

"Decorative shrubbery looks good but it should not inhibit a full view of the building or cover windows and other entrances or exits," the chief said.

Business owners or citizens who want more information on how to better secure their

Continued from page 1

homes and businesses should call him at 996-7251.

Anyone with information about a business burglary or other crimes should contact the Belle Glade Police Department or Crime Stoppers at 996-TIPS.

"Scrooge came early to the Chamber," said Mrs. Tanner, "but we're managing."

## Funding

cleanup.

The debate over whether the SWIM Plan would work was supposed to be taboo.

But that's about all anybody wanted to discuss.

Several of the speakers questioned the fairness of one or more aspects of the funding proposals. Most simply wanted to know why the District was trying to figure out how to spend up to a billion dollars for something that almost nobody believes will work. But everybody believes it will be expensive.

Jo Hatton, a member of the Ladies of the Lal, a group opposed to the SWIM Plan, said "The communities around the lake depend entirely on agriculture. If the funding decision is made to fund damage the viability of agriculture, we won't be here to pay."

Mrs. Hatton brought fresh vegetables to the meeting and held them up to show the council.

"This was harvested today," she said. "It's November. There's no other place in this nation today, with the exception of California, where there's harvesting going on. This is the only place to get it today. We're the only source of fresh vegetables from October through June."

She said the Glades area is unique "in that we are the industry that sets your standard of living; all over the world, many places, they spend

seventy to eighty cents out of every dollar for food. In this country, you spend ten to twelve cents out of every dollar for food."

She told the council that Glades area farmers are happy to be able to provide food for the nation in a cost effective way and said farmers are accustomed to and can cope with many things that affect crops.

"But we cannot fund another Kissimmee River(Restoration Project)," she said.

"We do face an apocalypse. Wayne Boynton, Pahokee sugar cane farmer, cited studies performed by the University of Florida in the mid-1970s. Those studies showed 30 to 40 pounds of phosphorus are removed by the average crop acre of sugar cane."

"A sugar cane crop of 50 tons per acre will normally remove from the soil about 50 to 60 pounds per acre of P2O5."

"I don't apply that much phosphorus P2O5 to my fields," he said.

"My phosphorus is going out in a truck, not in the water!"

After listening to one person after another spout the same message, SFWMD board member and funding council member Ken Adams said there were a multitude of alternatives being studied; "most of them require land, and most of them require money."

The funding council appeared sympathetic to the farmer's plight and indicated recommendations would be made to the District board that additional research be completed, including further economic research, before final decisions are made.

Ellen Wine, assistant general manager for administration at South Bay Growers, told the council she hoped they would suggest a meeting of economists who've already completed studies of the plan's impact on the Glades area's economy.

She told the group: "You're being charged with the task of funding gladiators."

"This project will kill us. Make sure that you don't do it prematurely," she said.

## Woman charged with stealing money, liquor

A Belle Glade woman is accused of stealing cash and liquor from the Blue Belle Bar at 124 S.W. 5th Street, Belle Glade.

Olivia "Dee Dee" Dehaven Thomas, 36 of 333 S.W. Avenue E, Apartment 204, Belle Glade, was arrested last Thursday evening after police investigated a burglary at the bar.

The burglary took place November 18 at 3:45 p.m. Sgt. Albert Dowdell, Detective C.D. Whitlock and Det. Bill Murphy investigated and got a search warrant to search Ms. Thomas' house. They found several bottles of the stolen liquor.

She was charged with three counts of dealing in stolen property and booked into the Palm Beach County Jail under \$1,000 bond.

Beyond the call of duty...Members of the Palm Beach County Sheriff's Office, Glades division, gave food and turkeys to approximately 50 families in the area. Shown is Deputy Harriet Denard who helped with the distribution Tuesday.

## Concentrate on the real criminals

I want to **Speak Out** about the Belle Glade Police Department.  
For the past three weeks, since a nosy neighbor complained that my business truck, which is parked on an empty lot by my house, with the owner's permission, was making too much noise and makes the neighborhood look bad, I have been tracked down continuously by an officer on the police force.

He has been coming to my job, calling my job, my home, etc., even after I explained to him that my husband is the person he needs to speak with.

My problem is this; why, with all the drug dealers and criminals on the streets of Belle Glade running around free, does the police department take this much time and expense harassing me?

All I'm trying to do is make an honest living and I am being treated like a murderer or something that I am not.

When I drive down the street, I worry whether I will be shot or burglarized while I am at my job.

Why can't they spend some real time going to these criminal's places of business and bothering them about real crimes?

Editor's note: We asked Belle Glade Police Chief about this incident and he said: "We were responding to a citizen complaint and we acted within the scope of our authority."

## Praise for PD

I just want to commend the police department and Chief Miller and also the City of Belle Glade. I live in the neighborhood of west Belle Glade and I just want to commend them for moving the trucks, buses and things that were a hazard and a sore spot in our community.

I think we have one of the most beautiful communities on 14th Street and I really appreciate the City of Belle Glade and the police department for trying to help us keep our community clean and looking beautiful.

They have worked patiently and diligently with the people who have the trucks and big farm trucks. We work really hard to keep our neighborhood clean.

## More praise for police department

Hi. My name is Dorothy Uwin and I live in the Sugar Subdivision.

I'm just calling to tell you how much we appreciate the police department's help in cleaning up the neighborhood with the trucks and the problems we were having over here.

I had a lot of problems with buses and trucks

parked next to my house. People were sleeping in the buses.

I just want to say thank you.

## Buses have been parked illegally for months

I'm calling in reference to the buses and trucks that were parked on the two empty lots on Southwest 14th Street.

I live on Southwest 14th Street in Belle Glade where the buses and trucks have been parked on two empty lots for months.

I would like to thank the City of Belle Glade Police Department for getting the owners of those buses and trucks to park those trucks where it has been designated to park field buses and trucks, instead of in our community.

Again, I would like to thank the Belle Glade Police Department for helping us with that matter.

## A waste of taxpayer's money

I was going by West Technical Education Center on SR 715. There is a building there that was built approximately seven years ago. It's called East Coast Migrant Head Start. It's a brand new building.

They are tearing that building down. don't know why. It's a lot of material and the building could be picked up and moved to someplace else. There's also a brand new fence that has been torn down.

This is where our tax dollars are going - down the drain.

I would like to know why a building like this is being destroyed. They haven't done anything to try and save this building or salvage some of the material that is still good on this building.

Any reason they give you, or whoever is paying for this, the bottom line is taxpayer's money. And I for one am sick and tired and a lot of people in this town are sick and tired of the school board blowing the money away and crying that they don't have any money - just like they did the \$3 million on the new high school.

Thank you.

Editor's note: We spoke with Shirley Maxson, director at West Technical Education Center. She said the building does not belong to the school board. It is not being torn down, only broken down to be moved to another location. East Coast Migrant Head Start has built a new facility or Airport Road and they moved in a few months ago. They have donated the portable to another child care program. Thank you for being a watchdog and for Speaking Out.

## You can be a part of the Glades economic future

The Pahokee - East Beach Economic Authority is continuing its efforts toward diversification of the local economy. While totally supportive of agriculture, we are aware of the continuing governmental and environmental challenges facing farming today. In recognition of these realities, we submitted a bid for an option on 1,000 acres of state owned land known as the "Closter" tract.

Should the Governor and Cabinet grant this five year option, we would then seek to solidify plans to build approximately 800 housing units, a golf course, an inn, and a boat dock for access into Lake Okeechobee at culvert number 12 (just south of the Pahokee Airport). We envision a "rod and gun" atmosphere compatible with our Glades lifestyle and would make every effort to retain the qualities of small, rural community.

Such a development would increase Pahokee's tax revenue from \$300,000 to over \$1 million.

You can be an important part of this endeavor for our economic future. Write a letter of support for Pahokee - East Beach Economic Authority's bid #DNR 10-92/93 to Governor Lawton Chiles and the cabinet members listen below. Ask two other people to write letters and have them in the mail by Tuesday, December 1.

You may want to point out that this option is one way the economic impact of the SWIM plan could be partially offset at no cost to the State. The potential benefits to the local government and local economy will translate into significant benefit to the State as well.

By design, this development would be

chosen to highlight in your letter.

In 1989 this long range goal was included in a comprehensive plan, mandated and approved by the State, at a cost to Pahokee's residents of \$130,000. Ask them to acknowledge this plan they required the city to spend your money to formulate.

Historically, the needs of a municipality take priority over the needs of a private investor. You might ask them to exercise integrity by giving Pahokee an opportunity to benefit many as opposed to benefitting only a few. In an area where the per capita income is below \$9,000 and the unemployment rate is 14%. We need their help and yours.

We will appear before the governor and cabinet on your behalf on December 15. For Pahokee's future, contribute to this effort with your letters. Both you and your grandchildren will be glad you did.

The Honorable Lawton Chiles - Governor  
The Honorable Jim Smith - Secretary Of State  
The Honorable Robert A. Butterworth - Attorney General

The Honorable Gerald Lewis - Comptroller  
The Honorable Tom Gallagher - Treasurer & Insurance Commissioner

The Honorable Betty Castor - Commissioner of Education

The Honorable Bob Crawford - Commissioner Of Agriculture

# Area school children count their blessings this holiday season

Editor's note: We asked fourth grade elementary classes from Belle Glade Elementary and Pahokee Elementary to share with our readers what they are thankful for this Thanksgiving. The following letters are from Mrs. Adams' and Mrs. Senfleben's fourth grade classes. We regret we could not run them all, but their responses should give us all something to think about during the holiday season.

I am thankful for my family and friends. I am thankful for my mom because she takes care of me. I am thankful for my father because he is my best friend.

I am thankful for my friends because they go hiking with me.

Away Etienne

I am thankful for God, my mom and dad, and my friends. I am thankful for people that fight for the wars for us. I am thankful for I am going to school. I am thankful for my sister and brother are in my house and I love them.

Shaver Brand

I am thankful for all the best teachers who are the best ones and the principal who gave them this job. I am also thankful for my parents who love and care about me very much. And my friends who mean a lot to me. I am thankful for my parents who are able to buy my clothes.

Marie Jo Paul

I am thankful for my parents. My parents care about me and love me. I love them too. My dad has a good job. I am thankful that my dad has a good education so when I grow up I will get a great job. I love my family and God. I have lots of clothes and love my mom, dad, brother, and sister. My

mom and dad love me. My brother and sister miss me and I miss them too. I miss my sister and brother because they are very far away from me.

Esther Rodea

I am thankful for my parents. Without them I can't eat, wear clothes, or have someone to love me or care for me. There are so many things I am thankful for. I am thankful for food to eat, to buy you all of these things.

I am also thankful for my teacher. Without her I can't learn or know how to spell, or right, or read. It is just very nice to know someone would take their time to teach you.

Cheryl M. Fields

I am thankful for Thanksgiving, for my mother, my father and my family. I am also thankful for the food and the drinks. I am thankful for the fun. I am thankful for all the things and the love God gave me and that he let the pilgrims have their own way, just as we have our own way. I am thankful that the pilgrims made their own way.

Nadine Lemene

At Thanksgiving time there are many things that I am thankful for. I am thankful that my aunts, uncles, grandpas and grandmas and family are alive. I am thankful that my dad has a good job. I am thankful that I have a four wheeler and a dirt bike. I am also thankful that my sister is doing great in Texas. She must love my family and God. I have lots of clothes and love my mom, dad, brother, and sister. My

Thanksgiving with the rest of my family, but even if we can't, I am thankful that they are doing fine. I feel sad because I hoped we could help all the people who don't have a dish on their table. Most of all, I am thankful for our health.

Cesar Sandoval

At Thanksgiving I have so many things I am thankful for. I am thankful for my family. My father works very hard to make money to run the house. I'm thankful for being alive today. I am thankful for being in school and learning my math.

David Burgess

At Thanksgiving I give thanks to God. I am thankful for the food we eat everyday. If we didn't have food, we wouldn't be here now. I'm thankful for school so I can learn a lot. When I grow up, I want to be a teacher. I'm thankful for my teacher, my mom and dad, my sisters and my friends. I'm thankful for all of my family. They make me very happy.

Jennifer Valenzuela

During Thanksgiving we have fun but we are very thankful for all the things we have. I am thankful for schools so I can learn. When I grow I want to be teacher. I am going to try to get a house to live in. I am thankful for the food on our table. I am thankful for being on this earth today. I am thankful for the clothes that I have on my body. I am thankful for the games that I have.

# Area school children tell us "How to cook a turkey"

Today is turkey day, so we thought we'd ask third grade students at Cove Elementary to share with us how they would cook a Thanksgiving turkey - if their mom let them anywhere near the kitchen Thursday morning. The student's teachers are Nellie Sprouse, Mrs. Lewis, and Mrs. E. Henderson. The spelling has been left as written. We hope you enjoy these letters.

## How to Cook a Turkey

Cooking a turkey is easy. First, you have to shot it. Second, you put the turkey in the pan. Next, you put the

turkey in the oven. Finally, you eat the turkey.

Robert Mercer

Cooking a turkey is easy. First, I put popcorn in it. Next, I put it in the oven. Finally, I eat it.

Patricia Martinez

First, you take the turkey in your hand and put it into the oven. Next, you get it out of the oven and then you put what you like on it. Finally, you eat it, all you can eat.

Suzanna Charez

First get a pan and cooking oil. Then get the matches and

put it in the stove. So it can get hot.

Second stuff the turkey. Then we put dressing on top of it. Next we decorat the turkey. Finally we cook the turkey.

Then we eat. Isn't it good now. And that's the end of How to Cook a Turkey.

Janie Tamayo

Cooking a turkey is easy. First, you kill it. Second, you pluck it.

Then, you turn on the stove. After that, you put it in the stove.

Finally, you take it out of the stove and eat it.

Rene Vasquez

Go buy a turkey from the store and dressing or stuffing. And than go home set the stuff up and turn on the stove and put some butter wait to the butter spread and when it spread around the pan put the turkey in the stove and when it's done take the turkey out of the stove and put the stuffing and dressing in the turkey than serve a good turkey if you like cranberry put cranberry on the stuffing and don't forget set the table that was first and have a nice day. The end.

Johnny Jones

First go buy the turkey. Go get the pan put some oil in the pan set the turkey in the pan.

Set the turkey in the stove. Put the dressing on the turkey. Put your pepper on Before or after it is cooked. get your plate and a fork.

Then eat the turkey.

Robin Hollon

First you go to the store and buy a turkey. Next, you go home and put the turkey in the stove. Third, when it is hot put dressing and stuff in it. Fourth, You put the oil in the pan. Fifth After it is done you decurate it. Finally it is rode to eat.

Daniel Bacallao

First you take a recipe book you take a knife and cut him

up. Take the bad things you don't eat and you put barbecue sauce on him and then you throw him on the barbeque grill then you eat.

Dustin Echenique

First you have to take it out of the package then wash it off. Put it in a pan. Put some seasoning salt on it. Stick it into the oven and let it cook for an hour and thirty minutes. Then cut the oven on. When it is done you take it out. Then cut it up and eat it all up.

Namekeri Bradley

First you take everything out of the turkey. Clean it out and stuff the turkey. Put it on a tray. Lay it in the oven. Let it stay in there for at least 2 hours at 300. Take it out and be ready for a Thanksgiving feast.

Rashied Byrd

First unfreeze the turkey over night. After it is unfreezed stuff the turkey with stuffing and season it. Then you put it in the cooking bag. Put it in the oven for 3 hours until it is golden brown.

Jessica Ramirez

First you get your turkey and skin it then put vinegar on it then you stuff it with food after that you put it in the oven on 350 degrees high and leave it cooking for 2 hours 30 minutes.

Victor Ponce

Cooking a turkey is easy. First, I buy it. Second, I take it home in my car. Next, I get it out of my car. Then, I go in the kitchen. After that, I put it in the stove. Finally, I cook and eat it.

Janorris Federick

1. take out all giblets from inside turkey  
wash the turkey.  
stuff the bird with your stuffing  
coat turkey with butter  
season with salt and pepper  
and poultry season  
wrap the wings and tip of legs with reynolds wrap.  
put rack in the bottom of the pan  
to keep off the bottom.

Ramsey Baughman

You can cook a turkey a lot of ways. My mom puts salt and pepper.  
She puts it on the bar-Q and cooks it She lets it cook for one hour when it's done we eat it.

Carolyn Sager

First you have to get a turkey and soaks it in water.  
Then you season it. Then put it in the oven cook it for a hour then put broth then put bake in the oven for a little bit then you can put it on the table to eat.

Staci Bowermeister

First get the turkey form the store. Second put it in the pen and put some oil. Next put the turkey on the pan and put it in the stove. Finally put some butter and some dressing last put some paper and salt.

Olga Gaytan

First you set the time then put it in the oven then take it out of the oven and let it cool off then when it is don you eat it.

Scott Shackelford

You base it down with butter put secon on it and put it in a roste and in the oven let cook about 3 or 4 hour take it out and then you make your dressing and stuff it and then you put it back out and then it will be ready to put on the table to eat.

## TO STORES COUPON

[illegible]

Let me give you a hand...or two. Atlantic's #42, Courtney Bellamy, at left, gives Christian Day Crusader Scott Heading a shove from behind Monday night as the two teams met at Wellington High for a season-opening tournament. Atlantic beat Christian Day, which isn't surprising if you've seen Atlantic's basketballers. Each of their players is taller than all of the Crusaders stacked atop one another. At least one of them was warned more than once for using his hands inappropriately, too. What is surprising is the final score, 47-34; the Crusaders did remarkably well against a much taller team.

SUNPHOTO BY CHIP NEWTON

## Crusaders can't stand up to Atlantic High(t)

The Christian Day School Crusader basketball team did a superb job of basketball Monday night, holding a taller Atlantic high team to their points and managing 34 of 47 points. The boys from Belle Glade faced players that didn't even have to jump to block Crusader shots with hands big enough to steal the ball one-handed.

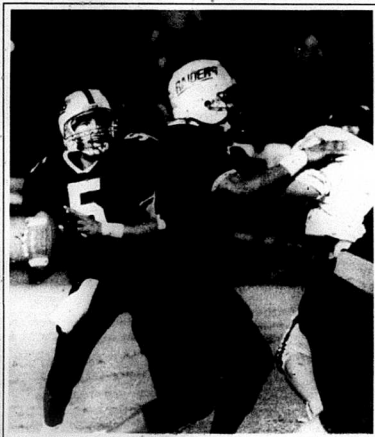

Tape-istry...Crusader head football coach Scott Wilson, kneeling foreground, demonstrates the fine art of knee-taping on Calvin Bowens as basketball coach Woodie Salvato and Crusader Gus Peavy look on. Bowens had injured his knee during the football season during a game against Benjamin. Coach Wilson said the taping would add stability, definitely an asset to a basketball player.

## Raiders out of race

Tigers beat Raiders, Crusaders beat Tigers

Quarterback back to pass...Raider Quarterback JaJuan Seider steps back to fire a shot towards Reidel Anthony as Fred Taylor stands in to block in Monday night's District 14-3A tie-breaker. The Raiders got the ball with a minute left and drove down the field but were unable to score. The Clewiston defense wouldn't let Raider receivers get free. Clewiston's Tigers beat Raiders Central then lost to Cardinal Newman. Newman will host Fort Pierce Central for the Region VII-3A title. Raider head coach Rick Casko told the boys they played a great season and have nothing to be ashamed of.

On the fast track...Members of the Glades Central High School Track team are seen here at a recent meet. From left are Lashentrell Harden, Phyllis Brooks, Quintella Gilbert, Tiffany McKenzie, and Tobeia Padgett. Miss Padgett just returned from Jacksonville where she placed eighth in the state finals November 21. She set a school record with a time of 12 minutes 40 seconds, and bettered her own record by 19 seconds. Ninety-five runners competed in the race. This marks the first time a Lady Raider runner has made it to state. Coach Seider said "Great job, Kellee."

## Pahokee basketball league opens

## Raiders slip by Pahokee in mud

**Muck Bowl is Yuck Bowl as steady rain falls**

BY CHIP NEWTON  
SUN Staff

A nice night for ducks, it was.

But for football, and football fans, it was not so nice. It was the Muck Bowl, the

Glades area's annual version of the Super Bowl, and it happened Friday night in Pahokee.

The Raiders won this one, but by one point, and didn't pull ahead until 4:27 remaining in the game.

The scoring started with Blue Devil Andre Johnson going in from the seven in the first quarter. Pahokee picked up two extra points on a pass from quarterback Terry Barber to Denore Mosley.

The Raiders scored next when Reidel Anthony took a 57-yard pass from quarterback JaJuan Seider. They also scored the two-point PAT when Nakia Jenkins caught another Seider pass.

Pahokee scored twice in the second quarter, first on a 10-yard run by Andre Johnson, then on Johnson's 43-yard run.

In the third quarter, after a one-hour rain delay, Glades Central's Fred Taylor caught a pass from Seider for 18 yards and a score. Francine Grand-Pierre kicked the PAT.

In the fourth quarter, the Raiders got on the board one more time when Seider caught a 25-yard pass thrown by Steve Smith.

The Raiders had 55 yards in 25 carries and 149 in the air. The Blue Devils had 195 on the ground and 79 in the air.

## Raider girls shine over Suncoast in season basketball opener

Glades Central High School opened its girls basketball season Thursday evening with an overwhelming 60 - 28 victory over Suncoast.

Shaundra Smith had 18 points in the game, and Temple Dowdell had 13.

Volleyball star Anjeanette Gilbert had ten points and a number of rebounds, according to assistant coach Jay Seider.

Gilbert had several fouls in the first half, but settled down and looked real smooth for the last two periods.

Coch Seider said the girls played with lots of effort, and considering this was their first game, did real good. "They had first game jitters in the first half," he said, "but settled down and played real good basketball as the game went on."

Monday night the girls beat Lake Worth 55 - 28.

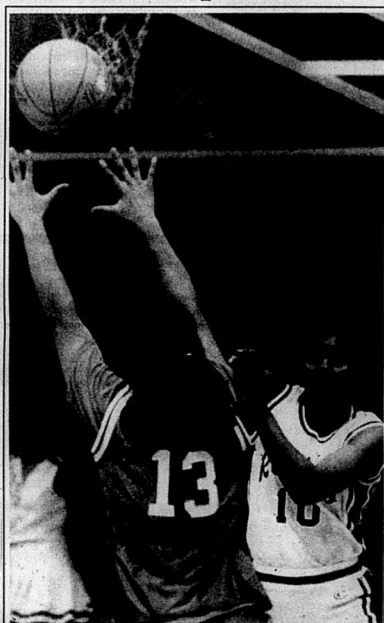

In that game, Gilbert hit three of four from the line and ten from the floor, for 23 points. She also had 18 rebounds.

Smith missed both her foul shots, but hit twelve from the floor for 24 points.

Temple Dowdell, Phyllis Brooks, Lauresia Faulk and Tekelia Padgett each scored.

The girls face Forest Hill High Monday night, November 30, at 7 p.m.

That game is away.

Not here you're not...Raider basketball star-to-be Temple Dowdell, facing camera, moves to prevent Suncoast's #13, S. Fla. from retrieving a rebound Thursday afternoon in the season opener for both teams. Glades Central won the game 60 - 28. Anjeanette Gilbert, a strong player in the volleyball season just ended, looks like she'll be a dynamo on the basketball court as well, rebounding and shooting consistently. The girls defeated Lake Worth Monday night, and Miss Gilbert was again a force, as was Shaundra Smith. Gilbert had 23 points and 18 rebounds, and Smith had 24 points in the Monday game.

But for football, and football fans, it was not so nice. It was the Muck Bowl, the

Glades area's annual version of the Super Bowl, and it happened Friday night in Pahokee.

The Raiders won this one, but by one point, and didn't pull ahead until 4:27 remaining in the game.

The scoring started with Blue Devil Andreall Johnson going in from the seven in the first quarter. Pahokee picked up two extra points on a pass from quarterback Terry Barber to Denorse Mosley.

The Raiders scored next when Reidel Anthony took a 57-yard pass from quarterback Jajuan Seider. They also scored the two-point PAT when Nakia Jenkins caught another Seider pass.

Pahokee scored twice in the second quarter, first on a 10-yard run by Andreall Johnson, then on Johnson's 43-yard run.

In the third quarter, after a one-hour rain delay, Glades Central's Fred Taylor caught a pass from Seider for 18 yards and a score. Francine Grand-Pierre kicked the PAT.

In the fourth quarter, the Raiders got on the board one more time when Seider caught a 25-yard pass thrown by Steve Smith.

The Raiders had 55 yards in 25 carries and 149 in the air.

The Blue Devils had 195 on the ground and 79 in the air.

## Raider girls shine over Suncoast in season basketball opener

Glades Central High School opened its girls basketball season Thursday evening with an overwhelming 60 - 28 victory over Suncoast.

Shaundra Smith had 18 points in the game, and Temple Dowdell had 13.

Volleyball star Anjeanette Gilbert had ten points and a number of rebounds, according to assistant coach Jay Seider.

Gilbert had several fouls in the first half, but settled down and looked real smooth for the last two periods.

Coach Seider said the girls played with lots of effort, and considering this was their first game, did real good. "They had first game jitters in the first half," he said, "but settled down and played real good basketball as the game went on."

Monday night the girls beat Lake Worth 55 - 28.

In that game, Gilbert hit three of four from the line and ten from the floor, for 23 points. She also had 18 rebounds.

Smith missed both her foul shots, but hit twelve from the floor for 24 points.

Temple Dowdell, Phyllis Brooks, Laurescia Faulk and Tekelia Padgett each scored.

The girls face Forest Hill High Monday night, November 30, at 7 p.m.

That game is away.

Not here you're not...Raider basketball star-to-be Temple Dowdell, facing camera, moves to prevent Suncoast's #13, S. Plis, from retrieving a rebound Thursday afternoon in the season opener for both teams. Glades Central won the game 60 - 28. Anjeanette Gilbert, a strong player in the volleyball season just ended, looks like she'll be a dynamo on the basketball court as well, rebounding and shooting consistently. The girls defeated Lake Worth Monday night, and Miss Gilbert was again a force, as was Shaundra Smith. Gilbert had 23 points and 18 rebounds, and Smith had 24 points in the Monday game. ## Kenny Lutz earns Eagle rank

Kenny Lutz is joining some impressive company December 14. He's earned it, having spent the spring and summer working with the American Red Cross and the Eagle Scout project, designing and building a food collection facility.

"My project was just in time," said Kenny. "The (Red Cross) pantry was in pretty good shape because the scouts and I had been collecting all summer. Then when Hurricane Andrew hit, the collection area was already in place and the barrel

filled up every day."

He is the first scout from Troop 222 in five years to reach the Eagle rank and is scout leader Jim Shine's first Eagle.

"I'm excited," said Shine. "I've been the scout leader here for the past three and a half years and Kenny has worked hard to reach his goal. Mr. Shine added he hoped Kenny's accomplishment would inspire other scouts to step up their efforts.

Former President Gerald Ford and President-elect Bill Clinton are Eagle Scouts.

# Huub Schreurs honored by Scouts

Huub Schreurs honored...by Girl Scouts. Above, back row left to right, Girl Scout board member Audrey Williams, Belle Glade Mayor Bill Bailey, Palm Glades GS Council Director of Field Services Judith Moustakis, Huub Schreurs, GS Field Exec. Roseanne Watson, Belle Glade GS Service Unit Manager Shelly Robinson of the Palm Beach and Martin County Community Foundation. Front row left to right, Brownie GS Hela Brouhoush, Lara Fulenwider, Jennifer Grooms, and Jr. GS Beth Finnemann.

Several Girl Scout Troops of Belle Glade honored Huub Schreurs, Program Specialist of the Bernard Van Leer Foundation, presenting him with a plaque at Belle Glade City Hall November 11.

The Bernard Van Leer Foundation funds intervention programs to assist families and their children in 46 countries around the world in conjunction

with the United Nations Educational Scientific Cultural Organization (UNESCO).

Locally, the Foundation is funding the Glades Community-Based Development Project which helps coordinate programs dealing with such issues as children and youth, housing, health, and economic development. The Girl Scouts presented Mr. Schreurs with a

plaque in appreciation of this program.

Mr. Schreurs joined the Foundation 1984, has a degree in anthropology from a university in the Netherlands, and worked in Africa for five years helping to coordinate adult literacy programs. His current position is to help establish children-oriented programs in the United States, the Caribbean, and Latin America.

The presentation ceremony also included the following Girl Scout Leaders being invested into Girl Scouting: Debbie Allen, Barbara Curry, Laura Finnemann, Novella Tillman, Patricia Holmes, Carolyn Buckle, Dorothy Ewan, Kathy Fulenwider, Nancy Johnson, Fleeta Jackson, Mary Bowen, Beth Trimble, Christina Willis, Mary Jo Walker, and Robin Wilkerson.

The event was coordinated by Belle Glade Service Unit Manager, Shelly Robinson, of the Palm Beach and Martin County Community Foundation, and Roseanne Watson, Field Executive for Palm Glades Girl Scout Council, Inc.

### New principal

Christian Day School is proud to announce the arrival of their new principal, Andy Wright. Mr. Wright comes to Christian Day from an educational ministry in Pensacola, where he served over two years.

A native of Mississippi, he was graduated from Stephen D. Lee High School in 1979.

He attended Mississippi State University and received his Bachelor of Arts degree from East Texas Baptist University in 1983.

After a period of employment at Riverside Christian Academy in New Orleans and Immanuel Center for Christian Education in Columbus, Mississippi, Mr. Wright returned to Louisiana where he received his Master of Divinity degree in Christian Education from the New Orleans Baptist Theological Seminary in 1990.

Mr. Wright and his wife, Sharon, have two children. Andrew is a K-6 student at Christian Day, and Allison is two years old. They are members of First Baptist Church of Belle Glade.

### Student trip

Upper elementary students are planning a spring journey to Washington D.C., along with several other Palm Beach County Christian schools. Fourth, fifth, and sixth grade students will leave April 28 by chartered bus and return May 2.

This trip will replace the usual spring exodus to St. Augustine, said Brenda Braddock, elementary principal.

Students will visit many points of interest in the nation's capitol, including the White House, several government buildings, the Smithsonian, and much more.

Chaperones will be Mary Edwards, Karen Hatton, Rebecca Morris, Sharon Outz, Fred Stevens, and Brenda Braddock.

### Christmas musical

The public is invited to the Thursday, December 10, performance of the annual elementary Christmas musical program, to be held in the sanctuary of First Baptist Church at 7:30 p.m.

The musical, directed by Mrs. Lola Brewer, is "Twinkle and the All-Star Angel Band," written by Linda Rebuck and David and Bonnie Huntenger.

Narrators from the sixth grade class include Shuruk Abraham, Maria Andrade, and Steven Koon. Soloists will be Janie Williams, Shanna Hartzog, Jason Philyaw, Jonathan Worthing, and Ashley Hilyer.

Other major roles include Stephen Pate, Jennifer Pate, Jacob Stevens, Rebecca Pate, Kristina Rodriguez, Ronald Rimes, Crystal Brown, Michelle Hoo, Venessa Jackson, Amanda Snow, and Steven McKinley.

Krista Glass is Mary, the mother of Jesus; Kevin Throop is Joseph; Gary Blakeney and Kevin Brewer are shepherds; and Chris Love, Kenny Pascock, and Jason Philyaw are the three wise men.

### Letter contest

The fifth grade recently wrote thank-you letters to Paul Thompson, youth director at First Baptist Church, expressing appreciation for his puppet ministry presentation in chapel.

Teacher Fran Kerck judged the best-written letters, naming Joshua Braddock, Farrah Shutts, Mikia Johnson, and Jim Beausjour as winners.

"I thought I would write and encourage you on in your puppet ministry," said Joshua Braddock. "Thank you for coming and letting us see your creation."

Mr. Thompson's ministry was formed in September and the following year C.D.S. students and the puppets they play are: Rufus (dog), Jon Pennel; Jack, Jason Cunningham; Kim, Ashley Cunningham; Carl, Matthew Snow; Green Frog, Teresa Fullenwider.

"I enjoyed you talking and telling us through the puppets about standard living," wrote Mikia Johnson. "Chapel students also joined in singing some choruses with the puppets."

### First Aid Course

The American Red Cross is offering a first aid course to be held at their Belle Glade office, 125 N. Main Street, December 5.

The course is a combination of CPR and the basic principles of standard first aid. The course includes resuscitation emergencies as well as first aid for bleeding, burns, shock, stroke, heat exhaustion, seizures, etc.

Please call 992-9703 to register or for more information.

### CPR Course

The American Red Cross is offering an eight-hour CPR course to be held December 12 at the Red Cross offices at 125 N. Main Street in Belle Glade.

The course will include infant, child, and adult rescue techniques in CPR, rescue breathing, and the Heimlich Maneuver.

Please call 992-9703 for more information, or to register.

### County profile

The Palm Beach County Department of Planning, Zoning, and Building is offering for sale a new publication that profiles the county's demographics.

The report, Demographic and Socioeconomic Profile, Palm Beach County, Florida, is based largely on 1980 and 1990 census data.

The document focuses on the county's population, economy, and housing/householders. Graphs are included that show changes through the 1980s.

Copies are available at the Publications Center, 3400 Belvedere Road, West Palm Beach (233-5004), or the Research and Analysis Section, 800 13th Street, West Palm Beach (233-5362).

### Young at heart

The Young at Heart will meet for a pot luck lunch December 3 at Jameson Hall. Janis Fliehs will present the Glades Day Chorus in a Musical program. Those who have never attended will be very welcome.

### Stop, look, listen

The women of the Inspirational Church of God at 160 N. W. 6th Avenue, South Bay, invite you to stop by and take a look at what they have to offer, and listen to one of the most wonderful speakers in town.

This year's theme is "Women Inspired by God," on November 29. Morning prayer is at 11 a.m., evening program is at 4 p.m.

Church reporters are miss Elber Little and Sister Novella Tillman. Pastor and Overseer is Johnny W. Johnson.

### Job seminar

Belle Glade Job Service holds a Job Search Seminar every Tuesday and Wednesday from 1 p.m. to 3 p.m. at the Job Service office, 1500 N.W. Avenue L, Belle Glade.

The seminar is free to job service clients. Call 992-1310 for more information.

All local missionary societies are cordially invited to these services.

This will be the first "Missionary Day," if any, ever celebrated by the St. James Missionary Society in quite a few years.

# Talk about town

By Elsie Singletary

In the past, the Missionary Society celebrated annually "100 Women in White," which was first presented in the Pahokee area by the St. James A.M.E. Church. "Always a Bride" was also presented in the Pahokee area by St. James.

The Missionary Department eventually gave up on these annual occasions after they became so popular in other places.

With your presence and support this day can and will be long remembered.

# Holiday Store needs volunteers

Santa Claus is coming to the Glades and this year he has a new stop on his list, the Glades Holiday Store.

The "store" which will open December 8th at the Belle Glade Armory, is the cooperative effort of many community groups and churches. It will provide food,

clothing and toys to hundreds of Glades families in need.

"We have been collecting items and talking about this project for about nine months now and we are very pleased at the results for this first year," said project coordinator Maria Wise Miller. "But what we really need now are volunteers

to help man the store," she said.

The store will be open three days from December 8 through the 10th from 9 a.m. to 8 p.m. Any group or individual is welcome to participate as volunteers.

"Right now we have volunteers coming from the Volunteer Auxiliary Board of the C.I. Brumback Health Center, the American Red Cross, the Belle Glade Chamber of Commerce, the Pahokee Chamber of Commerce, the Palms West Chamber of Commerce, Glades Literacy Project, the Belle Glade Lions Club and the Belle Glade Junior Woman's Club.

We especially need volunteers in the morning from 9 a.m. to noon," said Anne Hopkins, president of the Volunteer Auxiliary Board of the C.I. Brumback Health Center.

The Holiday Store is sponsored by the Agriculture Awareness Council of Palm Beach County which will provide fresh fruits and vegetables from farmers throughout Palm Beach County.

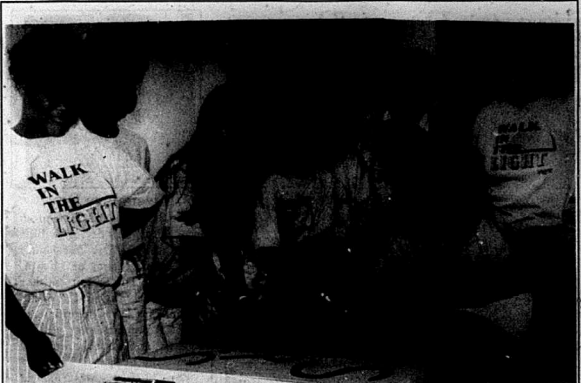

Workers from the Auxiliary, the Red Cross and the Church of Jesus Christ of Latter-Day Saints' Young Women organization worked Saturday, November 21, to prepare the Holiday Store. They sorted and bagged thousands of items.

Another group from the Young Women met signs and banners for the store that will be set up at the Armory.

The project was part of the World Wide Celebration for Young Women with the theme, "Walk in the Light."

The Holiday Store became one of their projects through member Sarah Bennett. The group was helping Kenny Lutz gather canned goods for his Eagle Scout ranking when Gayle Wehler, the president of the West Palm Beach Young Women, heard about the project and decided Belle Glade would be the perfect place for the World Wide Celebration.

Anyone interested in volunteering for the Holiday Store on December 8, 9 and 10, should contact Ms. Wise Miller at 896-1600.

It's for a good cause...Members of the Young Women organization, Red Cross volunteers and Health Department Auxiliary members gave up their Saturday morning to sort and box thousands of items for the Glades Holiday Store. # Cancer treatment center opens in Wellington

Wellington Regional Medical Center today unveiled The Regional Cancer, the first comprehensive cancer facility in Palm Beach County to serve patients in the greater western communities, including Lake Worth, Lantana, West Palm Beach, Wellington, Royal Palm Beach, Loxahatchee, Clewiston, South Bay, Belle Glade, Pahokee, and Okeechobee.

The announcement was made by administrator Michael Marquez at a press conference held in the lobby of the new center Wednesday, November 18.

"On behalf of the administration and medical staff at Wellington Regional Medical Center, we are proud to provide cancer patients in our surrounding communities with the area's newest, state-of-the-art facility," announced Marquez.

Marquez reported that the philosophy of the center is to focus on the importance of the individual cancer patient and the support structure for his or her family members. "Our services will be delivered in an environment that supports and promotes the highest quality of life, sensitive to the specific

physical, psychological, emotional, social, cultural, economic, and educational needs of our patients," added Marquez.

Trained at M.D. Anderson Hospital in Houston, renowned radiation oncologist Sunderam K. Shetty, M.D. is Medical Director of the new Regional Medical Center at Wellington.

Accomplished radiation oncologist Bruce Horowitz, M.D., leads the cancer specialist including Dr. Claude Harmon, and Dr. Steven Schild. Each member of the team is board certified and has trained at premier cancer centers including Memorial Sloan Kettering Hospital, National Cancer Institute, Mayo clinic, and M.D. Anderson.

According to Dr. Shetty, "The Regional Cancer Center will certainly provide very valuable services to cancer patients who currently travel from 1-3 hours round-trip to receive daily radiation therapy for the 6-8 week duration of their treatment."

The Regional Center is a dedicated outpatient facility of the campus at Wellington Regional Medical Center offering

a complete continuum of care including screening, diagnostic testing, radiation treatment and rehabilitation programs, hematology, and nursing, psychosocial, nutritional, clinical pharmacy, and laboratory services.

Family and patient support groups, educational program that focus on cancer prevention, detection, treatment and the physical/psychological aspects of dealing with cancer are just some of the services offered.

Patients are currently being scheduled for treatment. The Center, located west of the hospital at 10101 Forest Hill Boulevard, officially opened Monday, November 23.

The Regional Cancer Center at Wellington Regional Medical Center is one of 26 hospitals owned by Universal Health Services (UHS), Inc., one of the largest hospital companies in the nation. The Regional Cancer Center is the first cancer facility developed by UHS, which has three hospitals in Florida as well as thirteen acute care facilities, and thirteen psychiatric facilities across the U.S.

# Luisa Alvarez honored with plaque by Royal's Furniture for humanitarian work

Belle Glade native Luisa Alvarez is being honored as the first recipient of the Sue B. Royal Humanitarian Award.

Mrs. Alvarez was presented the award this past week by Larry Royal, president of Royal's Furniture.

Sue Royal and her late husband, Mr. George L. Royal, well-known in the Glades for their philanthropic endeavors, have given financial support to and devoted many hours to hundreds of charities.

Royal's plans to give the award yearly to an employee who demonstrates efforts above and beyond the call of duty to help those in crisis, or to assist charitable organizations with time and/or financial support. The award will not necessarily be given every year.

Mrs. Alvarez was given the award for her efforts to help victims in the aftermath of Hurricane Andrew.

Larry Parrish, director of operations for Royal's, said Mrs. Alvarez decided to help those who needed food and clothing in the Miami area and began organizing employees and friends to help.

"Everywhere Luisa turned there were obstacles," he said. "There were reports of help not being able to get through to the people even if you had very needed items."

But that didn't stop Mrs. Alvarez from trying. By the

A real humanitarian...Luisa Alvarez accepts the Sue B. Royal Humanitarian Award from Royal's Furniture President Larry Royal. Mrs. Alvarez was honored for her efforts to help the victims of Hurricane Andrew.

Saturday, after the storm Aug. 24, Mrs. Alvarez's house turned into an assembly line of baby items, canned goods, paper products, ice and other items.

A group from Glades General Hospital heard about the efforts, as did other businesses in the Glades, and they joined together to form what became known as the Glades Relief Volunteers.

That first Sunday morning a caravan consisting of a Royal's truck, semis, labor buses full of volunteers and several personal vehicles left for Miami. They were escorted by local police from Belle Glade, Pahokee and the Palm Beach County Sheriff's Department.

The volunteers made several trips to the blighted areas to giving assistance.

Receiving the Sue B. Royal Humanitarian Award meant a lot to Mrs. Alvarez and she said she was very honored "because I really think a lot of the Royal family."

She has worked for Royal's Furniture for 10 years in the payroll department. She is married to Gilbert Alvarez and they have three daughters, Christina, Michelle, and Nicole.
